If the nuisance continues after your initial complaint, you will need to keep a record of incidents. If possible, you should fill in the logbook immediately after each incident. When you have recorded several incidents or when the logbook is full, you should return the form to your Housing Officer who will contact you to inform you of the best course of action. You can obtain more copies of this logbook from your Housing Officer.

Remember that this may be the most important piece of written evidence. Please complete it diligently.
